**Re:** Amendment to Patent App # 10/757,432 **CC:**

Dear Sir / Madam,

Please accept the timely submittal of Amendment for Patent Application of Glenn Seidman and Shawn Perleschi for "A Method and Apparatus for Selling with Short-Bidding on Goods" consisting of 7 sheets of Amendment description, and 1 sheet of Remarks, and this fax cover for which it is being requested to serve as a certificate of faxing.

Applicants expect that this patent application will continue under "Accelerated Examination Program" as informed by letter in the May 27, 2007 office response. While the letter indicated that filing using EFS-Web was required to maintain Accelerated Examination Program status, Mr. Perleschi, a co-inventor, called the patent office on April 16<sup>th</sup> 2007 at 2:55 PM EST and was told by Adrian Spruill in department PEBC (Patent Electronic Business Center) that a fax submittal will also be accepted, in lieu of an EFS-Web submittal, in order to maintain Accelerated Examination Program status. The reference number for this call is 1-79634076.

Applicants respectfully request a written confirmation of the receiving of this Amendment as well as confirmation of continuation under Accelerated Examination.

Respectfully submitted,

By
